Alexandra Chavez Class of 2019

“Today marks one week at my new position at UC Merced! It has already been a transformative experience: I’m meeting new people, learning about a different institution type, and immersing myself as a professional in student affairs. I was feeling apprehensive about leaving the comfortability of my past school, community, and job at first. I’m learning to look at this experience through the words of one of my mentors: “This is not the end to anything; this is the start of your career...””.

~ Alexandra Chavez, North Fresno Rotary’s First Intern
